

THE BASILICA OF SAINT MARY

Commitment to Inclusive Learning

The Basilica of Saint Mary strives to meet the needs of each student in our Faith Formation program. Please let us know if your child has special needs or an Individualized Education Program (IEP).

Our team of catechists, with guidance and assistance from staff members, are trained and competent in working with all young people, including children and youth who live with a special need. We want to exemplify the charism of Jesus in welcoming all and providing an environment where all are included and their Catholic faith learning needs are met.

We welcome all children and youth in our faith formation program. Our community is strengthened and enhanced when all are welcome and each person's dignity is exemplified and accepted.

Contact the Learning Department for more information.
